Bike shops

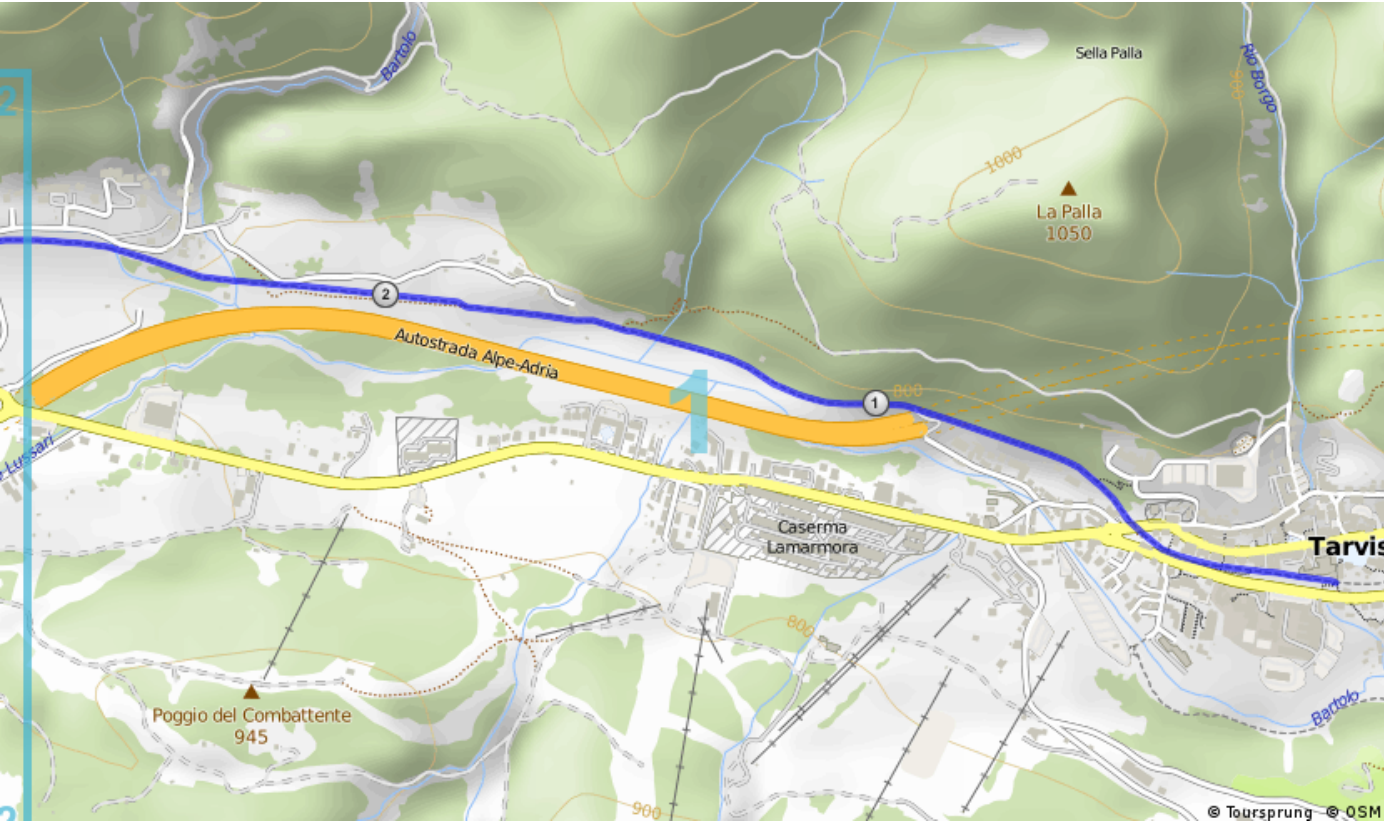

Surprisingly, there are no bike shops on this section of the route, although there are some bike hire places where you might be able to get help. Your best bet is probably the [Stazione di Chiusaforte](#). The last time I passed by, they had a mechanic working there, although I don't know if he is there all the time. If you need an inner tube, there's a Schwalbe vending machine in Pontebba (on the right-hand side just across the bridge). Bike shops on this section of the route:
